Chief Digital Officer

JOBS TO BE DONE

PROFESSIONAL

- **Drive digital revenue and growth:** I need to ensure every dollar of digital spend contributes to profitable growth, ensuring that friction-less commerce infrastructure maximizes the return on our investments. This includes looking at agentic commerce as a new acquisition channel to drive growth.
- **Optimize customer experience:** I need to make sure every digital touchpoint is seamless, personalized, and aligned with our brand. I'm tasked with incorporating AI into our customer experience.
- **Lead digital transformation:** I need to modernize platforms, processes, and tools so the business can operate efficiently and innovate faster.
- **Protect the Brand:** I need to protect the brand from high-profile data breaches and Account Takeovers (ATO) without hurting customer experience or conversion.

PERSONAL

- **Visionary AI Leader:** I want to be the executive who transitions the company from traditional e-commerce to a-commerce.
- **Peace of Mind:** I want peace of mind knowing our digital channels, systems, and campaigns are running smoothly and securely.

VALUE

One Sentence Pitch

Forter partners with global leaders like Nike, ASOS, and eBay to help digital leaders to deliver higher conversions and better customer experiences across traditional ecommerce and agentic channels, without risk.

HIGH PRESSURE INDICATORS

What to look for in an opportunity that may indicate an urgency to change?

FINANCIALS

- Decreasing operating margins
- Lowering net revenue retention
- Increasing CAC

TECH / TIMING

- Looking to support agentic commerce flows
- Looking to generate a new improved customer experience, such as instant refund
- Expanding to a new region or vertical
- Planning a platform migration (e.g., Shopify/Salesforce): If a merchant is already planning platform migrations, creating ideal implementation timing without additional disruption.

OPERATIONS

- Customer service flooded with calls on returns or item-not-received claims

IMPACT: WHY ACT NOW?

The Case for Immediate Action

AGENTIC COMMERCE	With the rise of agentic shopping, digital teams need to figure out how to promote discovery of their products on these AI platforms, and maximize conversions from their traffic.
AI OPPORTUNITIES	Identify the opportunities for me to use AI to offer differentiated shopping experiences.
PERSONALIZATION	Features like instant refunds or promos can increase acquisition and customer lifetime value, but are also easy targets for abuse. Digital teams want to be able to launch these experiences without losing money to people gaming the system.
PLATFORM CONSOLIDATION	Businesses are being pushed to be as efficient as possible when converting customers. This means that digital teams need to find innovative ways to grow and convert, while decreasing costs.
PROFITABILITY-FIRST MANDATE	Ensure every dollar of digital spend contributes to profitable growth.
